**Public Authority:** London Borough of Lambeth  
**Address:** Oliver Morris House

London

**Decision (including any steps ordered)**

---

1. The complainant requested the minutes of a specific meeting concerning two festivals that took place in Brockwell Park.
2. The Commissioner's decision is that London Borough of Lambeth ("the London Borough") failed to respond to the request within 20 working days and has therefore breached section 10(1) of the FOIA.
3. The Commissioner requires the London Borough to take the following steps to ensure compliance with the legislation.
  - Issue a substantive response to the request pursuant to the provisions in section 1 of the FOIA.
4. The London Borough must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the FOIA and may be dealt with as a contempt of court.

## Request and response

---

5. On 6 August 2018, the complainant wrote to the London Borough and requested information in the following terms:

*"Please can I see a copy of the minutes for the de-briefing meeting for Field Day and the Mighty Hoopla Festivals that took place at Brockwell Park in June."*

6. The London Borough has not acknowledged the request and has failed to provide a substantive response by the date of this notice.

## Scope of the case

---

7. The complainant contacted the Commissioner on 17 October 2018 to complain about the failure, by the London Borough, to respond to the request.
8. In line with her usual practice, the Commissioner contacted the London Borough on 31 October 2018 to highlight the outstanding response. She requested that the London Borough respond to the request within 10 working days. The correspondence was neither acknowledged nor responded to.
9. The complainant contacted the Commissioner on 22 November 2018 to request a decision notice considering the London Borough's compliance with the FOIA.
10. The scope of this notice and the following analysis is to consider whether the London Borough has complied with section 10 of the FOIA.

## Reasons for decision

---

11. Section 1(1) of the FOIA states that:

*Any person making a request for information to a public authority is entitled –*

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
- (b) if that is the case, to have that information communicated to him.*

12. Section 8(1) of the FOIA states:

*In this Act any reference to a "request for information" is a reference to such a request which –*

- (a) is in writing,*
- (b) states the name of the applicant and an address for correspondence, and*
- (c) describes the information requested.*

13. The Commissioner considers that the request in question fulfilled these criteria and therefore constituted a valid request for recorded information under the FOIA.
14. Section 10(1) of the FOIA states that responses to requests made under the Act must be provided "*promptly and in any event not later than the twentieth working day following the date of receipt.*"
15. From the evidence presented to the Commissioner in this case, it is clear that, in failing to issue a response to the request within 20 working days, the London Borough has breached section 10(1) of the FOIA.
