Decision notice

Date: 18 November 2021

Public Authority: Sandwell Metropolitan Borough Council

Address: Sandwell Council House
Oldbury
West Midlands
B69 3DE

Decision (including any steps ordered)

1. The complainant requested documentary evidence forwarded to Sandwell Metropolitan Borough Council (the Council) by a third party. By the date of this notice the Council had not issued a substantive response to this request.
2. The Commissioner's decision is that the Council has breached section 10(1) of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Council to take the following step to ensure compliance with the legislation.
 - The Council must provide a substantive response to the request in accordance with its obligations under the FOIA.
4. The Council must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 4 August 2021, the complainant wrote to the Council and requested information in the following terms:

"I am writing to make a request for all the information to which I am entitled under the Freedom of Information Act 2000.

*THE DOCUMENTARY EVIDENCE PROVIDED BY [redacted].
FORWARDED TO SANDWELL COUNCIL. (As described in a copy of the note, dated 2/8/2021, delivered to residents of Bustleholme Lane, West Bromwich).*

I would like the above information to be provided to me as a paper version.

If the request is too wide or unclear, I would be grateful if you could contact me as I understand that under the Act, you are required to advise and assist requesters. If any of this information is already in the public domain, please can you direct me to it?

If the release of any of this information is prohibited on the grounds of breach of confidence, I ask that you supply me with copies of the confidentiality agreement and remind you that information should not be treated as confidential if such an agreement has not been signed.

I understand that you are required to respond to my request within the 20 working days after you receive this letter. I would be grateful if you could confirm in writing that you have received this request."

6. To date, a substantive response to the request has not been issued.

Scope of the case

7. The complainant wrote to the Commissioner on 21 October 2021 to complain about the Council's failure to respond to their request.
8. The Commissioner has considered whether the Council has complied with its obligations in relation to the time for compliance at section 10(1) of the FOIA.

Reasons for decision

9. Section 1(1) of the FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and *"not later than the twentieth working day following the date of receipt"*.

11. On 2 November 2021 the Commissioner wrote to the Council, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.

12. Despite this intervention the Council has failed to respond to the complainant.

13. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with the FOIA. The Commissioner finds that the Council has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
