

Environmental Information Regulations 2004 (EIR)

Decision notice

Date: 14 March 2024

Public Authority: London Borough of Southwark

Address: PO Box 64529

London

SE1P 5LX

Decision (including any steps ordered)

1. The complainant requested information from the London Borough of Southwark (the public authority). By the date of this notice the public authority had not issued a substantive response to this request.
2. The Commissioner's decision is that the public authority has failed to respond to the request within 20 working days and has therefore breached regulation 5(2) of the EIR.
3. The Commissioner requires the the public authority to take the following steps to ensure compliance with the legislation.
 - Issue a substantive response to the request in accordance with its obligations under the EIR.¹
4. The public authority must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Freedom of Information Act and may be dealt with as a contempt of court.

¹ The Commissioner expects the public authority to take appropriate precautions to protect any personal data when disclosing information in a spreadsheet or similar format; [Information Commissioner's Office - Advisory note to public authorities | ICO](#)

Request and response

5. On 2 August 2023, the complainant made the following request for information to the public authority:

“1. the last 3 Fire risk assessment reports for building 1 blocks 1, 2 and 3.

2. a copy of any correspondence and reports / testing on the integrity of the staircases in all the blocks in Devon Mansions. These were performed at the end of 2021 and I believe also during 2022.”

Reasons for decision

6. Regulation 5(1) of the EIR states that:

“a public authority that holds environmental information shall make it available on request.”

7. Regulation 5(2) of the EIR states that:

“Information shall be made available under paragraph (1) as soon as possible and no later than 20 working days after the date of receipt of the request.”

8. The Commissioner contacted the public authority on 27 February 2024 reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days. Despite this intervention the public authority has failed to respond to the complainant.

9. From the evidence provided to the Commissioner in this case, it is clear that the public authority did not deal with the request for information in accordance with the EIR. The Commissioner’s decision is that the public authority has breached regulation 5(2) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the EIR.
