Dear Mr Himes,

ICO Regulatory Sandbox

Thank you for providing us with input into the Betting and Gaming Council's ('BGC') Sandbox report. We hope you will agree that the report accurately reflects the valuable work that BGC and the ICO Sandbox carried out since BGC's entry. The final report was published on the ICO website on 13 July 2023.

As BGC's Sandbox participation has now come to an end, we would like to remind you of the terms and conditions that you signed on entry to the Sandbox. A copy of these has been attached for your reference.

Please note that the steers and feedback provided to you through the Sandbox are based on the information that BGC has provided to us in relation to its work on the 'Single Customer View' and the ICO's current understanding of data protection law in the UK. Our views do not bind any courts and may not reflect the views of other data protection authorities. As such, being in the Sandbox, may not prevent future regulatory action against BGC by the ICO or any other regulatory body or authority, in relation to your product/service.

We would like to take this opportunity to thank you for taking part in the Regulatory Sandbox, and for your engagement through this process.

Yours sincerely,

Senior Policy Officer
