Request

You asked us:

- 1. Was the installation of ANPR cameras registered with the ICO by the Balbirnie Estate?*
- 2. Has the ICO received details of a Privacy Impact Assessment as carried out by the Balbirnie Estate?*

We received your request on 26 February 2024.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

We do not hold information in scope of your request.

Please note that under the UK GDPR organisations are not required to separately register CCTV with the ICO.

We have produced guidance for organisations about the use of [ANPR](#) that may be of interest to you.

Organisations are required to submit a [Data Protection Impact Assessment](#) to the ICO only in cases where processing is likely to result in a high risk to individuals, and that risk cannot be mitigated.

Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full [review procedure](#) on our website.

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint](#) through our website.

Your information

Our [privacy notice](#) explains what we do with the personal data you provide to us, and sets out [your rights](#). Our [Retention and Disposal Policy](#) details how long we keep information.

Yours sincerely
