### Request

You asked us:

"Please confirm the number of complaints you receive about West Midlands Police (WMP) not complying with DSARs or FOIs and have you taken any action on this."

We received your request on 26 January 2023.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

### Our response

I can confirm we hold information in the scope of your request.

I will now provide some information to help you understand the context of the data provided below. The ICO changed from one case management system, CMEH, to another, ICE 360. Due to this, how we record outcomes for complaints has changed. I have therefore provided the information in two datasets, separating the information held on each system.

Please see the tables below showing the total number of FOI and DSAR complaints that they ICO has received about WMP, and the decisions taken.

The information below shows the date that the complaint was reported to the ICO. The data has been provided in financial years which run from 1 April to 31 March. As you did not specify the date range for the information that you are seeking, we have provided all information that is currently held on our case management systems.

Unassigned complaints have recently been received, this means that the ICO has not yet determined the outcome of the case.

I can also advise that the ICO posts datasets about the complaints we receive onto our website. Should you require any other information about the complaints we have received, this is available <u>here</u>.

This concludes our response to your request.

#### Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full review procedure here.

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can raise a complaint through our website.
