IC-213074-X9P5

Request

On 26 January 2023 you asked for the following information:

Please provide the last three data protection updates the ICOs DPO has provided to:

- *Executive Committee or executive risk Committee*
- *the Board*

Your request has been handled under the Freedom of Information Act 2000 (the FOIA). As you are probably aware, this legislation provides public access to recorded information held by a public authority unless an appropriate exemption applies.

Response

I can confirm that we hold information in scope of your request.

The ICO's DPO gave the following three reports on data protection compliance:

1. Report to the Audit and Risk Committee on 26 April 2021
2. Report to the Audit and Risk Committee on 25 April 2022
3. Report to the Audit and Risk Committee on 20 June 2022

Please find attached the first report.

The second report was subject to a previous information request and can be found on our disclosure log. The same annexes were presented in this report and the previous one, which are included in the following disclosure:

<https://ico.org.uk/about-the-ico/our-information/disclosure-log/ic-206749-q8q7/>

The third report has been published on our website here:

https://ico.org.uk/media/about-the-ico/minutes-and-papers/4021387/20220620-doc-09_00-ico-dp-compliance.pdf

As this information is available to you on our website it is technically exempt from disclosure under section 21 of the FOIA. This exempts information which is

reasonably accessible to the applicant through means other than a request under the FOIA.

It is an absolute exemption, which means it is not necessary for us to consider any public interest test.

This concludes our response to your request.
