Case Reference IC-235330-F9Y1

Your request

You asked us for the following:

[Commenting on an ICO post about enforced SARs] *“How many people have you prosecuted for this offence?”*

Where your questions satisfy the criteria of a valid information request, we have considered your request under the Freedom of Information Act 2000 (FOIA).

Our response

We can confirm that the ICO does not hold information within scope of your request. This is because there have been no prosecutions for enforced SARs under the current legislative regime, namely, the Data Protection Act 2018.

We do hold information in relation to two attempted prosecutions under the DPA 1998.

This concludes our response.

We hope you find this information helpful.
