

3 July 2023

**Case reference IC-240316-F9R8**

**Request**

You asked us:

*"Can you send me the Data Protection Impact Assessment regarding the intended scope of CCTV usage at ITP Aero Hucknall please."*

We received your request on 23 June 2023.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

**Our response**

We have not found any information in scope of your request.

I have approached our Data Protection Impact Assessment ("DPIA") Consultation team, however they have confirmed they do not hold any DPIA you are looking for.

Under article 36 of the UK GDPR, the Information Commissioner is able to receive DPIAs from data controllers for the purposes of prior consultation before any of the intended data processing is carried out by the data controller. However, we have not received anything of this nature from ITP Aero Hucknall.

To be clear, this is a procedure which only applies when the intended processing of personal data would result in a high risk if relevant risk controls were not in place.

This is not a standard procedure for every DPIA, it is up to the data controller to determine the level of risk initially. Data controllers may carry out a DPIA and be satisfied that there is no need for prior consultation with the ICO.

If this is not what you are referring to, or you need to provide us any supporting information to help our search, or if you just need to clarify anything to us, please do so by replying to this email.

## **Next steps**

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full review procedure [here](#).

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint through our website](#).

## **Your information**

Our [Privacy notice](#) explains what we do with the personal data you provide to us, and set out your rights. Our retention schedule can be found [here](#).

Yours sincerely
