Request

You asked us:

"I am currently developing research project ideas for our 4th year students and was wondering if the dataset/s associated with the articles at the below link are available to use?"

<https://ico.org.uk/about-the-ico/research-and-reports/public-views/>

We received your request on 9 May.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

We do hold the information you have requested and I attach copies of the data sets connected to the survey. Questions 13 and 14 of the survey were about public perceptions of a range of different industry regulators and I have removed from the two excel spreadsheets, the tables relating to regulators other than the ICO. We did not publicise this data and consider it outside of the scope of your request because it does not relate to public perceptions of the ICO.

We hope that this information is useful to you.

Next steps

You can ask us to review our response. Please let us know in writing if you want

us to carry out a review. Please do so within 40 working days.

You can read a copy of our full review procedure [here](#).

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint through our website](#).
