ICO Case Reference IC-234673-L8B5

Request

You asked us:

"Please provide me with information about the ICO Registrations of these companies."

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

We proactively publish a searchable version of the register of data protection fee payers online. The register contains information relating to registration entries for organisations and sole traders. The register has been linked below for ease of reference.

The registration number you provided **ZB346628** relates to Reliant (UK) Ltd. The registration commenced on 8 July 2022. You can search the register for further information held about that entry.

We conducted reasonable searches for 'Roy Bedson and Associates' but there does not appear to be an active registration entry held. There are exemptions from data protection registration that may apply in certain circumstances. For more information about whether a data protection registration fee needs to be maintained, please see our website.

Information withheld

FOIA section 21

Please note that although we hold some information falling with the scope of your request it is available to you outside of FOIA because we publish the data protection fee register online.

As a result, the information we hold is technically withheld in reliance on section 21 of the FOIA. This exempts information which is reasonably accessible to the applicant through means other than a request under the FOIA.

It is an absolute exemption, which means it is not necessary for us to consider any public interest test.

That concludes our response to this information request.

Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full review procedure [here](#).

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint through our website](#).
