Request

You asked us:

"could you please share how many times derbyshire county council have reported a data breach and the ICO actions. Do you consider them to incorrectly report data breach?"

We received your request on 10 July 2023.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

I have consulted with the relevant areas of the ICO and I can confirm that we hold information in scope of your request.

I have included the table below (next page) which shows the number of PDB (personal data breach) reports we have received as well as the outcomes. We have received 4 further PDB reports however these are still currently open so I am unable to provide an outcome for those cases.

"Do you consider them to incorrectly report data breach?" is not a valid request for information under the FOIA. FOIA requests are for copies of recorded information only.
