Request

You asked us:

"I would be grateful if you supply any information held by the ICO about advice given to the Birmingham University Guild of Students in the last 3 months."

We received your request on 31 October 2023.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

We have searched our records for any information held about the Birmingham University Guild of Students in the last three months. Having conducted these searches we can confirm that we do not hold any information about this organisation in the last three months.

However, this does not mean that we have not provided any advice to the them as it is possible that we may have provided verbal advice which has not been recorded. We regularly provide advice to organisations via our helpline, but as these calls are not recorded, we are unable to confirm if this is the case.

This concludes our response to your request.

Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full review procedure [here](#).

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint through our website](#).
