Case reference IC-263256-Y4J1

Request

In summary, you asked us:

"Please provide the date Berkshire Aesthetics said the breach occurred."

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

We can confirm that the ICO do hold the information within the scope of your request, however, this is withheld under Section 44 of the FOIA for the reasons stated below:

Section 44(1)(a) states;

'(1) Information is exempt information if its disclosure (otherwise than under this Act) by the public authority holding it -

(a) is prohibited by or under any enactment'

The enactment in question is the Data Protection Act 2018. Section 132(1) of part 5 of that Act states that:

"A person who is or has been the Commissioner, or a member of the Commissioner's staff or an agent of the Commissioner, must not disclose information which—

(a) has been obtained by, or provided to, the Commissioner in the course of, or for the purposes of, the discharging of the Commissioner's functions,

(b) relates to an identified or identifiable individual or business, and

(c) is not available to the public from other sources at the time of the disclosure and has not previously been available to the public from other sources,

unless the disclosure is made with lawful authority."

Section 132(2) lists circumstances in which a disclosure can be made with lawful authority, however none of them apply here.

As we do not have lawful authority the information is exempt from disclosure.

This concludes our response.
