Our response

We hold information in scope of your request.

Information about self-reported data breaches and data protection complaints can be found in our [published casework datasets](#). You can search the datasets for the organisations you are interested in.

As a result, the information we hold is withheld in reliance on section 21 of the FOIA. This exempts information which is reasonably accessible to the applicant through means other than a request under the FOIA.

The last date a breach was reported to us by either of the organisations named in your request was Barnet Homes Limited on 27 July 2023.

We have not taken formal enforcement action against either organisation.

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.
