Time period- 2024

Type of information requested: Any enforcement or decision notices made by The ICO against the following named organisation;

Or organisation bearing any similar variation of this name."

We received your request on 30 April 2024

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

We have searched our records and can confirm that we have not issued any formal enforcement action against the organisations named in your request in 2024.

With regard to your reference to decision notices, it may help to explain that decision notices are issued in response to complaints made under section 50 of the FOIA. Only Public Authorities are subject to that Act; the organisations listed in your request are not Public Authorities and as such we have not issued any decision notices to them.

We publish details of enforcement action we have taken on our [website](#).

We also publish [data sets](#) which include information about the public concerns and organisations self-reported incidents we have dealt with. These data sets can be filtered by the party they were submitted about and may be of interest to you.

This concludes the response to your information request. We hope the information provided is helpful.

Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full [review procedure](#) on our website.

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint](#) through our website.

Our [privacy notice](#) explains what we do with the personal data you provide to us, and sets out [your rights](#). Our [Retention and Disposal Policy](#) details how long we keep information.

Yours sincerely
