Request

You asked us: "*a) whether all decisions which have been made under section 50(2) Freedom of Information Act 2000 are published by the Commissioner?... b) if some decisions have not been published, how many is this?"*

We have understood this to be a request to know if there are decision notices (DN's) which have not been published on our website when the Commissioner has issued a DN under Section 50(2).

We received your request on 14 June 2024.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

Having conducted reasonable searches of our records, we can confirm that 45 DN's have not been uploaded to our website.

There are a number of reasons why these 45, of the circa 22,000 DN's issued, have not been published. Some examples include:

- It was agreed by the parties due to the DN revealing sensitive personal data or other sensitive information.
- It was instructed by the Tribunal due to an agreement between parties as part of a Tribunal hearing.
- It was consented to be removed during the Tribunal process.

This concludes our response.

Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full [review procedure](#) on our website.

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint](#) through our website.
