Request

You asked us:

"We are enquiring if you have a copy of a resolution letter the ICO sent to Stroud District Council in October 2019 following the reporting of an incident to you on the 27th September 2019 regarding an accidental disclosure data breach. You closed the case as no further action required".

We received your request on 05 November 2024.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

We have searched our case management systems and records based upon the information you have provided but have been unable to locate the information you have requested.

As the correspondence dates back to 2019, we would advise it has since been deleted in line with our [Retention and Disposal Policy](#) and will no longer be held by the ICO.

This concludes our response to your request.

Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full [review procedure](#) on our website.

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint](#) through our website.
