Swansea

A teal-colored map of Swansea, Wales, is centered on the page. A white box with the word "Swansea" is placed over the central part of the map. Five white lines with circular endpoints extend from this central box to five different locations on the map's perimeter, each leading to a callout box. The callout boxes are arranged around the map: two on the left (Swansea Enterprise Park and Mansel Street), one at the top right (Llansamlet), one at the bottom right (Princess Way), and one on the right side (Matrix Park).
