

## COMPENSATION FOR OVERTIME AND TRAVELLING TIME

## OTHER RULES

- Where time off in lieu (TOIL) is claimed, no more than the equivalent of one standard working day (i.e. 7 hours 24 minutes) may be accumulated in any single day on which overtime and/or travelling time is claimed. Any balance of hours must be claimed as payment.
- A maximum of 14 hours 48 minutes TOIL may be carried over into the next financial year.
- Time spent travelling to and from the office for overtime on non normal working days will not be compensated.
- Overtime planned and agreed specifically for the purpose of clearing work backlogs would normally be compensated only by payment and not through the provision of TOIL.
- The maximum time allowed to be worked without a break is 6 hours. You will not be able to claim for more than 6 hours overtime without accounting for a minimum 30 minute break.
- If a part time staff member of any grade works on a week day which is normally a non-work day for them, the rate payable is time x 1.
