Scope of the case

8. The complainant contacted the Commissioner on 13 November 2018 to as he had not received a response from the CCG.
9. The Commissioner has considered whether the CCG has dealt with this request in accordance with its obligations under section 10(1) FOIA.

Reasons for decision

10. Section 10(1) provides that:

"Subject to subsections (2) and (3), a public authority must comply with section 1(1) promptly and in any event not later than the twentieth working day following the date of receipt."

11. Section 1(1) provides that:

"Any person making a request for information to a public authority is entitled –

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to him."*

12. The original request was made on 12 October 2018 and the response was provided on 26 November 2018. The Commissioner therefore finds that the CCG breached section 10(1) in failing to respond within 20 working days.
