8. In line with her usual practice, the Commissioner contacted the Council on 8 February 2020 to highlight the outstanding response. She requested that the Council respond to the request within 10 working days. The correspondence was neither acknowledged nor responded to.
9. The complainant contacted the Commissioner on 24 February 2020 to request a decision notice considering the Council's compliance with the FOIA.
10. The scope of this notice and the following analysis is to consider whether the Council complied with section 10 of the FOIA.

Reasons for decision

11. Section 1(1) of the FOIA states that:

Any person making a request for information to a public authority is entitled –

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
- (b) if that is the case, to have that information communicated to him.*

12. Section 8(1) of the FOIA states:

In this Act any reference to a "request for information" is a reference to such a request which –

- (a) is in writing,*
- (b) states the name of the applicant and an address for correspondence, and*
- (c) describes the information requested.*

13. The Commissioner considers that the request in question fulfilled these criteria and therefore constituted a valid request for recorded information under the FOIA.

14. Section 10 of the FOIA states that responses to requests made under the Act must be provided "*promptly and in any event not later than the twentieth working day following the date of receipt.*"

15. From the evidence presented to the Commissioner in this case, it is clear that, in failing to issue a response to the request within 20 working days, the Council has breached section 10 of the FOIA.

16. She requires the Council to issue a substantive response, which complies with the requirements of the FOIA, to the request.
