

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 7 December 2023

Public Authority: Chief Constable of Sussex Police

Address: Sussex Police Headquarters

Church Lane

Lewes

East Sussex

BN7 2DZ

Decision (including any steps ordered)

1. The complainant requested information from the Chief Constable of Sussex Police ('the public authority'). By the date of this notice the public authority had not issued a substantive response to this request.
2. The Commissioner's decision is that the public authority has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the public authority to take the following step to ensure compliance with the legislation.
 - The Police must provide a substantive response to the request in accordance with its obligations under FOIA.¹
4. The Police must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

¹ The Commissioner expects the public authority to take appropriate precautions to protect any personal data when disclosing information in a spreadsheet or similar format;

Request and response

5. On 30 June 2023, the complainant wrote to the public authority and requested information in the following terms:

“please send me all information about the process for recording and processing requests received for information whether under an MoU or in accordance with the DPA/GDPR to include but not be restricted to:
the software used
the categorisation
management information available i.e. how the data can be sorted and presented (fields completed and searchable)
monitoring (diary / alerts)”

Reasons for decision

6. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
7. On 18 November 2023 the Commissioner wrote to the public authority, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
8. Despite this intervention the public authority has failed to respond to the complainant.
9. From the evidence provided to the Commissioner in this case, it is clear that the public authority did not deal with the request for information in accordance with FOIA. The Commissioner finds that the public authority has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
