

## **Freedom of Information Act 2000 (FOIA)**

### **Decision notice**

**Date:** 6 March 2024

**Public Authority:** Cabinet Office

**Address:** 70 Whitehall  
London  
SW1 2AS

#### **Decision (including any steps ordered)**

---

1. The complainant requested information from the Cabinet Office (the public authority). By the date of this notice the public authority had not issued a substantive response to this request.
2. The Commissioner's decision is that the public authority has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the public authority to take the following step to ensure compliance with the legislation.
  - The public authority must provide a substantive response to the request in accordance with its obligations under FOIA.<sup>1</sup>
4. The public authority must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

---

<sup>1</sup> The Commissioner expects the public authority to take appropriate precautions to protect any personal data when disclosing information in a spreadsheet or similar format;

## Request and response

---

5. On 12 September 2024, the complainant wrote to the public authority and, as part of a longer letter and parallel SAR request, requested recorded information under FOIA in the following terms:

"The recorded information I now request is any held at the date of this request which comprises, records or is related to contact with the ICO leading to assertions made by the Cabinet Office FOI Team on 29 August 2023 as follows:

"Our understanding is that that the ICO's position...has been a matter raised...since...2012"

"Your underlying grievance...has been considered in detail""

## Reasons for decision

---

6. Section 1(1) of FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

7. Section 10(1) of FOIA states that a public authority must respond to a request promptly and "not later than the twentieth working day following the date of receipt".
8. On 6 February 2024 the Commissioner wrote to the public authority, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
9. Despite this intervention the public authority has failed to respond to the complainant.
10. From the evidence provided to the Commissioner in this case, it is clear that the public authority did not deal with the request for information in accordance with FOIA. The Commissioner finds that the public authority has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in

accordance with FOIA. For the avoidance of doubt, this Decision Notice deals only with the FOIA elements of the complainant's request.
