## **Request and response**

---

5. On 14 April 2024, the complainant made the following request for information to the public authority:

"Footway parking is permitted on parts of Penerley Road, Rainham; this being the case the council must have made a footway parking resolution under section 15(4) of the Greater London Council (General Powers) Act 1974.

Under the Environmental Information Regulations 2004, I hereby request a copy of the footway parking resolution for this road. Please could this be provided in PDF format, with searchable / selectable text, and inclusive of all schedules.

Please note, this request is for the resolution and its schedules and annexes in their entirety, not only the part of the resolution relevant to the location mentioned above. Please do not provide any sort of 'extract' that is anything less than the full document."

## **Reasons for decision**

---

6. Regulation 5(1) of the EIR states that:

"a public authority that holds environmental information shall make it available on request."

7. Regulation 5(2) of the EIR states that:

"Information shall be made available under paragraph (1) as soon as possible and no later than 20 working days after the date of receipt of the request."

8. The Commissioner contacted the public authority on 26 June 2024 reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days. Despite this intervention the public authority has failed to respond to the complainant.

9. From the evidence provided to the Commissioner in this case, it is clear that the public authority did not deal with the request for information in

accordance with the EIR. The Commissioner's decision is that the public authority has breached regulation 5(2) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the EIR.
