You asked us:

I am writing to inquire whether the following companies have been registered with the ICO as small businesses:

- 1: AUTOMEDS PHARMACY LTD
- 2: WELLBEING (UNITED KINGDOM) LIMITED
- 3: AVALAKE LIMITED
- 4: WELLCARE PARTNERSHIP LIMITED
- 5: TRICLOVER LIMITED

Please could you confirm the registration status of each company on the list?

We received your request on 21 February 2025.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

We confirm having searched our records in respect of the companies listed above and can confirm that we do hold information falling within the scope of your request within our Data Protection Fees database containing details of those organisations registered with the ICO.

Our searches have disclosed that, of the nine organisations listed above, all but two currently have live and active registrations in force with the ICO as at the date of this request being submitted (**21 February 2025**).

The following two organisations have been registered with the ICO in the past but show a registration status of "Lapsed" on our system.

4:WELLCARE PARTNERSHIP LIMITED

9:NEW EXMOUTH LIMITED

Information withheld – FOIA section 21

Please note that because the information is already reasonably accessible to you outside of the FOIA, technically it is withheld under section 21 of the FOIA.

Section 21 states that we don't need to provide you with a copy of information when is reasonably accessible to you through means other than a request under the FOIA.

Further information:

All organisations who have an active Data Protection Fees registration with the ICO are listed within our **Register of Fee Payers** accessible via our website at [Information Commissioner's Office - Register of data protection fee payers](#)

We would explain that a search for an organisation on the Register may not always return a result. If so, this will be due either to the organisation not being registered with the ICO or not having paid the fee to renew their registration. In the latter case, the organisation will be excluded from the Register until such time as the renewal fee is paid.

This concludes our response to your request.

Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full [review procedure](#) on our website.

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint](#) through our website.
