

3 March 2025

**IC-363606-T8H1**

**Request**

You asked us for a copy of all information relating to the handling of a Freedom of Information request we responded to under case reference IC-361623-H4C8.

We received your request on 13 February 2025.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

**Our response**

We can confirm that we hold some information in scope of your request.

All recorded information we hold which relates to the request in question and which was held at the time of your request can be found on [WhatDoTheyKnow](#). The above link contains all correspondence relating to this request, and no further recorded information is held.

As this information is publicly available, it is technically withheld under section 21 of the FOIA. This section of the FOIA states that we don't need to provide requesters with a copy of information that is already reasonably accessible to them by means other than through making an FOIA request.

Please note that not all information relating to the handling of a request by members of the Information Access Team is recorded. This can include searches for information and verbal conversations with other members of the team. This information is not held in any format.

This concludes our response to your request.

## Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full review procedure [here](#).

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint through our website](#).

## Your information

Our [privacy notice](#) explains what we do with the personal data you provide to us, and sets out [your rights](#). Our [Retention and Disposal Policy](#) details how long we keep information.

Yours sincerely

Information Access Team
