## **Request**

You asked us whether we had received a personal data breach report from Informa.

We received your request on 17 June 2024.

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

## **Our response**

I can confirm that we do not hold any information in scope of your request.

For clarity, there are a number of organisations on our systems which use the name 'Informa'. We undertook searches for the following accounts on our systems:

Informa Group PLC  
Informa Hospitality Group  
Informa Markets (UK) Limited  
Informa UK Limited

Having undertaken these searches, we do not currently hold any personal data breach cases for any of these accounts. In other words, we have not received a personal data breach report matching your description.

Please note that not every personal data breach is reportable and there is a possibility that the organisation has determined that the breach did not meet the threshold for reporting to the ICO.

If you or another individual have been affected by a data breach and wish to raise a complaint with us about it, you can do so via our website [here](#).

This concludes our response to your request. I hope the information provided is helpful.

## **Next steps**

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full review procedure [here](#).

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can [raise a complaint through our website](#).

## **Your information**

Our [privacy notice](#) explains what we do with the personal data you provide to us, and sets out [your rights](#). Our [Retention and Disposal Policy](#) details how long we keep information.

Yours sincerely
