

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 9 January 2019

Public Authority: Hertsmere Borough Council

Address: Civic Offices
Elstree Way
Borehamwood
Hertfordshire
WD6 1WA

Decision (including any steps ordered)

1. The complainant requested information about invoices paid to a particular individual.
2. The Commissioner's decision is that Hertsmere Borough Council ("the Council") failed to respond to the request within 20 working days and has therefore breached Section 10 of the FOIA.
3. The Commissioner requires the Council to take the following steps to ensure compliance with the legislation.
 - Issue a substantive response, under the FOIA, to the request.
4. The Council must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the FOIA and may be dealt with as a contempt of court.

Request and response

5. On 19 September 2018, the complainant wrote to the Council and requested information in the following terms:

"May I please have copies of all invoices paid to [redacted] from Jan 2013 to May 2018."

6. The Council acknowledged the request on the same day but had failed to provide a substantive response by the date of this notice.

Scope of the case

7. The complainant contacted the Commissioner on 4 November 2018 to complain about the failure, by the Council, to respond to the request.
8. In line with her usual practice, the Commissioner contacted the Council on 13 November 2018 to highlight the outstanding response. She requested that the Council respond to the request within 10 working days. The correspondence was neither acknowledged nor responded to.
9. The complainant contacted the Commissioner on 15 November 2018 to request a decision notice considering the Council's compliance with the FOIA.
10. The scope of this notice and the following analysis is to consider whether the Council has complied with Section 10 of the FOIA.

Reasons for decision

11. Section 1(1) of the FOIA states that:

Any person making a request for information to a public authority is entitled –

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
- (b) if that is the case, to have that information communicated to him.*

12. Section 8(1) of the FOIA states:

In this Act any reference to a "request for information" is a reference to such a request which –

- (a) is in writing,*
- (b) states the name of the applicant and an address for correspondence, and*
- (c) describes the information requested.*

13. The Commissioner considers that the request in question fulfilled these criteria and therefore constituted a valid request for recorded information under the FOIA.
14. Section 10 of the FOIA states that responses to requests made under the Act must be provided "*promptly and in any event not later than the twentieth working day following the date of receipt.*"
15. From the evidence presented to the Commissioner in this case, it is clear that, in failing to issue a response to the request within 20 working days, the Council has breached Section 10 of the FOIA.
