

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 2 November 2020

Public Authority: London Borough of Croydon
Address: Bernard Weatherill House
8 Mint Walk
Croydon
CR0 1EA

Decision (including any steps ordered)

1. The complainant requested information from the London Borough of Croydon (LBC) about conflict of interest procedures. By the date of this notice the LBC had not issued a substantive response to this request.
2. The Commissioner's decision is that the LBC has breached section 10(1) of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the LBC to take the following step to ensure compliance with the legislation.
 - The LBC must provide a substantive response to the request in accordance with its obligations under the FOIA.
4. The LBC must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 14 July 2020, the complainant wrote to the LBC and requested information in the following terms:
 1. *"What are the Council's procedures for reporting Conflicts of Interest within the Planning Office,*
 2. *Can you provide documentary evidence that these procedures were followed by [identifying details redacted] from Jan 2017 to April 2019 at a time when [identifying details redacted] were employed by [identifying details redacted] as planning consultants on the Lansdowne Road tower development."*
6. The LBC acknowledged the request on 15 July 2020. To date, a substantive response to the request has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 3 September 2020 to complain about the LBC's failure to respond to their request.
8. The Commissioner has considered whether the LBC has complied with its obligations in relation to the time for compliance at section 10(1) of the FOIA.

Reasons for decision

9. Section 1(1) of the FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."
10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and *"not later than the twentieth working day following the date of receipt"*.

11. On 24 September 2020 the Commissioner wrote to the LBC, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
12. Despite this intervention the LBC has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that the LBC did not deal with the request for information in accordance with the FOIA. The Commissioner finds that the LBC has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.

Other matters

14. The Commissioner wishes to place on record her understanding of the immense pressures placed on public authorities during the coronavirus pandemic. She is sympathetic to the difficult decisions such authorities must make, between prioritising front-line services and continuing to meet their obligations under the FOIA.
