12. The scope of this notice and the following analysis is to consider whether the Council has complied with Section 10 of the FOIA.

Reasons for decision

13. Section 1 of the FOIA states that:

Any person making a request for information to a public authority is entitled –

(a) To be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) If that is the case, to have that information communicated to him.

14. Section 10 of the FOIA states that responses to requests made under the Act must be provided, “*promptly and in any event not later than the twentieth working day following the date of receipt.*”

15. The Council did not provide a substantive response to the request within 20 working days of receipt. Therefore, the Commissioner’s decision is that the Council has breached section 10 of the FOIA.
