# Request

You asked us:

"I would like to request the text of every public speech that John Edwards has made so far in 2024."

We received your request on 25 September 2024. We have handled your request under the Freedom of Information Act 2000 (the FOIA).

# Our response

I can confirm that we hold information in scope of your request. Please find the information attached.

Some of the speeches have been proactively disclosed on the ICO website and are technically exempt under section 21 FOIA ('No regulatory wild west: how the ICO applies the law to emerging tech' and 'John Edwards speaks at IAPP's Data Protection Intensive UK'). However, I've included them as well as the other information in scope in the attached bundle.

I hope you find the information helpful.

## **Next steps**

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full <u>review procedure</u> on our website.

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can <u>raise a complaint</u> through our website.

### Your information

Our <u>privacy notice</u> explains what we do with the personal data you provide to us, and sets out <u>your rights</u>. Our <u>Retention and Disposal Policy</u> details how long we keep information.
